

The Rector of the University of Chemistry and Technology hereby announces, within the meaning of Section 49, Para 5 and 6 of Act No. 111/1998 Coll., the opening of the admission procedure for the 2024/2025 academic year in the following doctoral study programmes implemented at UCT Prague faculties:

### **Faculty of Chemical Technology**

Study programmes:

Chemistry and Chemical Technologies  
Chemistry and Technology of Materials  
Chemistry  
Bioinformatics  
Conservation Sciences in Cultural Heritage Preservation  
Drugs and Biomaterials

Double degree study programmes  
In cooperation with universities abroad:

Chemistry and Chemical Technologies  
Chemistry and Technology of Materials  
Chemistry

### **Faculty of Environmental Technology**

Study programmes:

Environmental Chemistry and Technology  
Energy and Fuels

Double degree study programme  
In cooperation with universities abroad:

Environmental Chemistry and Technology

### **Faculty of Food and Biochemical Technology**

Study programmes:

Microbiology  
Biotechnology  
Food Chemistry and Technology  
Biochemistry and Bioorganic Chemistry  
Food and Natural Products  
Biotechnology of pharmaceuticals

Double degree study programmes  
In cooperation with universities abroad:

Biotechnology  
Biochemistry and Bioorganic Chemistry

## Faculty of Chemical Engineering

Study programmes:

Chemical and Process Engineering  
Chemistry  
Molecular Chemical Physics and Sensorics  
Measurement and Signal Processing in Chemistry  
Drugs and Biomaterials

Double degree study programmes

In cooperation with universities abroad:

Chemical and Process Engineering  
Analytical and Physical Chemistry

All double degree study programmes in cooperation with universities abroad are implemented as full-time study programmes.

All other doctoral study programmes are implemented as full-time study programmes or as a combination of full-time and part-time study.

The standard period of study in DSP is four years. In doctoral study programmes implemented in the Czech language students can receive a scholarship throughout the whole standard period of study in full-time type of study.

All announced doctoral study programme, with the exception of the programme 'Conservation Sciences in Cultural Heritage Preservation', are accredited also to be implemented in the English language.

Study applications on a required form, including the mandatory annexes listed on the website of [UCT Prague](#), and supplemented with an assessment of medical fitness for study in the chosen field of dissertation shall be submitted **by 15 April 2024** at the latest.
